# Durham Parks and Recreation provides opportunities for our community to Play More!

## GREETINGS FROM DURHAM PARKS & RECREATION'S DIRECTOR

Summer is nearly here, and with it comes a great variety of ways to Play More with Durham Parks and Recreation! First, I'd like to update you on our center renovations: We are finishing important work at three of our recreation centers, and they are scheduled to open to the public in June. The renovations have improved accessibility to our facilities, which makes them more user-friendly for all people. I hope you enjoy the new and improved centers, and we appreciate your patience during the renovation period.

Spring is a great time to remind you of the many ways you can get involved with DPR, and not just in our health and wellness programming! You can adopt a nearby park, or give your time as a coach in an athletic league. We offer activities for the very young, mature adults 55 and better, and everyone in between! After school care, teen programming, and a wide range of rental facilities are additional examples of how we work to improve the quality of life in our community.

One of the most important parts of our programming is that we strive to make it available to all people. We have several ways to provide reduced fees to those who need it, as well as a great new benefits card, the Play More Card, that rewards those who use our facilities and participate in our programs frequently. Find more information about these services on page 4.

We love it when you're involved in Durham Parks and Recreation, and we also appreciate hearing from you. Let us know how we're doing, and of course, Play More with DPR!

Rhonda B. Parker  
Director, Durham Parks and Recreation

## ADVENTURE PROGRAMS and OUTDOOR RECREATION

(919) 560-4355.

Recreation Manager: Kim Oberle, Kimberly.Oberle@durhamnc.gov

Durham Parks and Recreation's Adventure Programs unit is located at the scenic Spruce Pine Lodge in Bahama, NC. Adventure Programs offers many opportunities for individuals, groups and families to enjoy the outdoors, whether it's through trips to local natural areas, or participating in a low challenge course teambuilding program. Trips vary throughout the year, and the low challenge course may be booked at any time of year.

### Team challenge and ropes course

At the low challenge course, staff facilitators use a variety of natural and man-made elements, games and initiatives to help groups and individuals develop trust, cooperation, teamwork and leadership skills. Facilitators utilize a 13-element low ropes course, portable elements, hiking trails and other open spaces to create intellectually and physically engaging outdoor experiences for groups. Each program is individually designed based on a consultation with the client. The minimum age for participation at the low challenge course is 10 years of age, and programs can be designed for persons of differing abilities.

## CANINE RECREATION

Contact: Lorita Dudus (919) 560-4355, ext. 27220, [DurhamDogPark@durhamnc.gov](mailto:DurhamDogPark@durhamnc.gov)

**DOG PARK**  
Durham Parks & Recreation offers a variety of leisure opportunities for its canine residents. While regular leash walks provide a level of exercise that promotes good dog health, access for off-leash play and socialization is equally important. DPR provides two off-leash areas for canine fun:

**Pineywood Park** (located at 400 E. Woodcroft Pkwy.) has four separate areas, dog waste bag dispensers, waste receptacles, benches, water fountains and information kiosks.  
**Northgate Park** (located on Lavender Ave.) offers two separate areas, dog waste bag dispensers, water fountains, and information kiosks.  
All dogs must be registered to be in the dog park. Find an application at: <http://www.durhamnc.gov/departments/parks/dog.cfm>  
As a part of the effort to keep participants safe and healthy, all dogs using either park must be current with rabies, distemper/parvo, and bordetella vaccines, and have negative fecal exams. When these requirements are met, a DPR dog park tag is assigned to each dog. All dogs must wear their rabies tag and assigned DPR tag while

playing in the park. In addition to the off-leash areas, Durham Parks & Recreation offers a range of obedience classes, including puppy, beginner, and introduction to Canine Good Citizen.

**CANINE OBEDIENCE CLASSES**  
**DURHAM ARMORY, 220 FOSTER ST.**  
Immunization requirements: distemper/parvo (series 2), bordetella and rabies. Dogs with aggression problems are not accepted. Call (919) 560-4355, ext. 27220 for a consultation.

**BASIC BEGINNER**  
For dogs 6 months and older. These classes will introduce your pet to controlled walking and basic commands such as ‘Sit’, ‘Down’, ‘Stay’, ‘Come’, and ‘Don’t Jump’. Please note that the first session is a combined lecture class approximately 2 hours in length - do not bring your dog. The lecture will review techniques and answer questions pertaining to both Puppy and Basic Obedience classes.

**INTRODUCTION TO CANINE GOOD CITIZEN**  
In this class, you and your dog will build upon basic obedience skills to learn more solid staying, heeling and recalls in a distracting environment. Although the focus will not be on the Canine Good Citizen test, some of the class exercises, activities, and games will help prepare dogs and handlers for that test. Your dog should be able to reliably perform the sit, down, stay, heel, and come commands in a non-distracting environment. Training collars and treats can be used during class. At the end of session, if you believe that your dog is prepared to take the CGC test, that option will be offered. The CGC is a certification program administered by the American Kennel Club. It is designed to reward dogs who have good manners at home and in the community. All dogs who pass the 10-step CGC test receive a certificate from the AKC. Please note: The CGC test is performed by an outside source. There is a separate fee of \$10 that will need to be paid directly to the evaluator.

## Construction Update: Third Fork Creek Trail

Construction of the Third Fork Creek Trail, photos taken on the north and south side of Martin Luther King, Jr. Parkway.

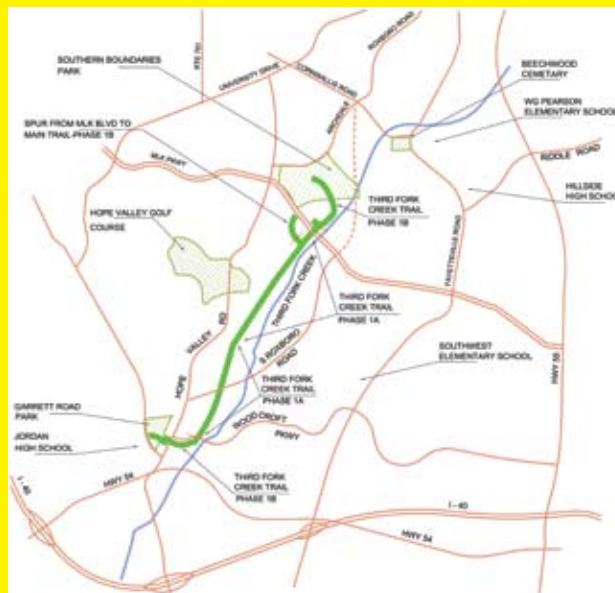

Construction has begun on Third Fork Creek Trail, which will run three miles, between Southern Boundaries Park and Garrett Road Park. It will be the longest section of the North/South Greenway.

The trail is being built in two sections: the "middle" from Martin Luther King, Jr. Parkway to Woodcroft Parkway and the "ends," which include the section from MLK to Southern Boundaries Park and the section from Woodcroft to Garrett Road Park. The trail will be constructed this way because of funding sources -- the "ends" are funded by an American Recovery and Reinvestment Act grant, the middle is bond money.

This project has been a long time in the making. It was initially given some funding in a 1996 bond, but at that time less than half the trail corridor land had been acquired. Acquisition of the rest of the land has taken years of work.

This trail project also includes some clean-up of debris in Third Fork Creek itself.

Anticipated completion of the entire project is May of 2011.

## Construction Update: Bethesda Park (3801 Cash Rd.)

Bethesda park is scheduled to open in September, 2010, and will feature basketball courts, tennis courts, disc golf, playground, and restrooms. The park is also the future home of a high ropes challenge course, available for use by reservation.

Pictured Above: Bethesda Park (3801 Cash Rd.) will feature a basketball court and two tennis courts, covered and lit.  
Pictured Left: A bridge site for the park's asphalt trail system, nearly a half mile long.

## Construction Update: Old Chapel Hill Road Park

A new artificial turf field is going in at Old Chapel Hill Road Park (3751 SW Durham Dr.). Look for it to be open for use in July

## Construction Update: Walltown Park Recreation Center

Coordinator: Beth Highley (919) 471-1623, [beth.highley@durhamnc.gov](mailto:beth.highley@durhamnc.gov)

West Point on the Eno Park and Leigh Farm Park make up the City of Durham's Heritage parks. These significant natural and historic parks provide opportunities for picnicking, fishing, hiking, outdoor nature study, and cultural history programming.

### Leigh Farm Park

Although this park is currently undeveloped, call Beth Highley at (919) 471-1623 to find out more about what is planned for this park site in the future.

### West Point on the Eno

This 388-acre natural and historic park is located along a two-mile stretch of the scenic Eno River, six miles north of downtown Durham. Take a step back in time to Durham's early beginnings by touring the working Grist Mill, the 1850's McCown-Mangum House, and the Hugh Mangum Museum of Photography. These historic buildings are open from 1 p.m. – 5 p.m. on Saturdays and Sundays, April 3-December 12, 2010. Admission is free. Weekday tours of the buildings can be arranged in advance by calling (919) 471-1623.

You can also enjoy a leisurely picnic and stroll around the grounds, or take a hike through the woods on one of the park trails. Feel free to bring your canoe or raft and experience the beauty of the Eno River. The

park gates are open daily, year-round, from 8 a.m. to dark. Call Beth Highley for further information.

### Amphitheatre at West Point

This secluded area nestled in the woods is the perfect setting for company picnics, festivals, concerts, performances, and other large group gatherings. The facility can accommodate up to 4,000 people and includes a large open field, lawn seating, stage, electricity, water, and ample parking. Call Beth Highley to arrange a visit, or for rental and reservation information.

### A Great Way to Give Back

Volunteers from all over the community support Durham's parks and trails through the Adopt-A-Park and Adopt-A-Trail (APAT) programs. This program is a great opportunity for you or your organization to make a positive difference in your community.

Since 2003, community groups have supported their community by adopting parks and trail segments in Durham through the Adopt-A-Park and Adopt-A-Trail (APAT) programs. DPR manages nearly 1,800 acres of parkland in more than 65 parks and more than 14 miles of paved trails, and we're still growing. The assistance we receive from adopting agencies is invaluable as we make every effort to care for our natural resources.

The City of Durham's Parks and Recreation and General Services Departments provide routine park maintenance and repairs; however, the adopting individuals and organizations give the park or trail the extra care and attention it needs. Adopters work on a variety of projects of their choosing. They have assisted with numerous cleanup, landscaping, and facility improvement projects.

Any individual or organization interested in bettering our parks and trails can adopt. Contact Mal Atkinson, the Adopt-A-Park and Adopt-A-Trail program coordinator, at 560-4355 or [malgosia.atkinson@durhamnc.gov](mailto:malgosia.atkinson@durhamnc.gov). She will be happy to discuss details of the program, which parks and trails are currently available for adoption, or any questions you may have about the program.

# Durham RECYCLES

## Frequently Asked Questions Curbside Recycling Program

**Can I place my 18-gallon blue bin at the curb along with my 95-gallon blue roll-out cart?**

No. Routes will now only be serviced by semi automated and fully automated collection trucks for the new 95-gallon blue roll-out carts. You can recycle your old 18-gallon bin by placing it inside your new roll-out cart or you can keep it for other use.

**When will my recycling cart be serviced?**

Your recycling cart will be serviced every other week on the same day as your garbage collection. Garbage collection will still be collected every week.

**What items must be recycled?**

Aluminum cans; steel cans; glass bottles and jars; newspaper; and corrugated cardboard. With the larger container, you should now also recycle magazines; cereal boxes; paper bags; cardboard egg containers; phone books; junk mail; plastic milk jugs; detergent containers, yogurt, margarine containers, rigid plastics (toys, buckets, lawn furniture); and paper.

**Can I use my 95-gallon blue roll out cart to dispose of extra garbage?**

No. Only items that can be recycled should be placed in the 95-gallon blue roll-out cart.

**Where should I place the 95-gallon blue roll-out cart for service?**

Carts should be placed at the curb for collection just as you do your green garbage cart. Please leave a minimum of three feet between carts and other objects.

**What if my 95-gallon blue roll-out cart was not serviced?**

Your cart should be placed at the curb by 7 a.m. on your assigned collection day (6 a.m. during summer) If your cart was not serviced on the scheduled collection date, check the cart for a tag, explaining why the materials were not picked up. If you do not find a tag, contact Durham One Call at (919) 560-1200 to report the missed collection.

**What if I am exempt customer and unable to roll my new cart to the curb?**

If you currently receive exempt service for your trash and yard waste collection, you will be eligible to receive exempt service collection for the recycling program. To ensure you are properly registered for exempt service for your recycling, contact Durham One Call at (919) 560-1200.
